ARVADA CHAMBER NEWS (Provided by Suzanne Ghais)

[State of the Region 2026: Mayors Roundtable](#). Six mayors from across the county come together to discuss "development, transportation, public safety, and how our cities are working together to keep Jefferson County competitive". This Friday, Oct. 16, 8:00–9:30 am, at Social Capitol, 6543 Wadsworth Blvd. \$40.

PRESIDENT LINDA'S CORNER

1. **Polio cases data** – To support our joint meeting next week to address Rotary's vital polio eradication and post-polio health/mobility efforts, Marny Eulberg, D5450 Polio Plus Committee chair, has provided information about the current status of polio, as follows:

The numbers of people being paralyzed by either the wild poliovirus or one of the variant (also called circulating vaccine-derived) polioviruses are slightly above the numbers for the same time last year although the wild poliovirus caused cases of paralysis in calendar year 2025 were mostly in Pakistan and less in Afghanistan, this year it is opposite with the majority of the children paralyzed by wild poliovirus Type 1 occurring in Afghanistan. Pakistan is working very hard to get their number of cases down and it appears to be working and Afghanistan has gotten more serious about fighting polio too. (see 'cases' attachment to bulletin)

2. **Arvada Chamber Day of Service** - Kudos to Dan Hershberger (Justice Necessary) and Lorraine Doo (Family Table) for representing the Arvada Rotary Club during Arvada Chamber's Day of Service. Also seen with Dan were Marilyn Hershberger and Sally Ross, attending with their PEO ET group at Justice Necessary. Good times were had by all!

3. **Swanson Elementary book project** - Great news! Heidi Wolle, of the Arvada Sunrise Rotary Club, announced that the District has approved the grant for the Swanson Elementary book project! Yay!! We have provided the Arvada Rotary Club's \$1000 contribution towards our support of this wonderful literary project.

4. **Rotary Youth Exchange** - Abigail Hamp has applied to be a 2027-8 Long-term Rotary Youth Exchange. She requested the Arvada Rotary Club sponsor her. Ms. Hamp and her mother joined us at last week's social hour. She will keep us posted on her application status.

5. **ROD Program Ideas** - District 5450 maintains a database of speakers and their program at District 5450 Program speaker database - <https://rotary5450.org/sitepage/speaker-database> . Linda is often contacted by potential speakers; she will try to rotate their information through the bulletins:

- **Jefferson County's Family Treatment Court**, Desiree Rodrigues, desiree.rodrigues@judicial.state.co.us, supports parents navigating recovery while working toward reunification with their children. As part of this work, they are expanding an incentive and wellness program that provides small but meaningful supports—such as gift cards for self-care, fitness, and other prosocial activities that help parents stay engaged in their progress.
